Total Credits				

### IMPORTANT MASTER'S DEGREE POLICIES

- II A maximum of 12 credits earned prior to matriculation can be applied towards degree. No more than 8 workshop credits are allowed.
- II This program of study form should be submitted to your advisor for approval by the School of Graduate Studies prior to completing 24 credits of coursework.
- II **Notify your advisor at the beginning of the semester you plan to graduate.** Your advisor will then submit a Plan C completion of requirements form to the School of Graduate Studies.
- II Please notify the School of Teacher Education and Leadership if you are unable to take a course during the spring or fall semesters. You can meet the continuous registration requirement by paying a \$100 fee to the School of Graduate Studies.
- II Course substitutions require prior approval of advisor, signed approvals should be kept on file; program changes are submitted to the School of Graduate Studies.
- II The M.Ed. degree should be completed within 6 years from the date of matriculation. Maximum age of coursework that can be applied towards your degree is 8 years. Course revalidation plans require written approval from the Dean for the School of Graduate Studies.

**I hereby make application for the Master of Education Degree (Plan C) in Curriculum and Instruction and request the approval of my Program of Study.**
