

Dear Colleague,

We appreciate our association with you and your support of Utah State University teacher candidates. As an acknowledgement of your service we are pleased to share the attached courtesy card. It entitles you to use the resources of the USU Merrill-Cazier Library and the Young Education Technology Center located in the education building on the USU campus. You may also use it at the USU bookstore and receive a 10% discount on most items. In addition, you will receive a small honorarium from the School of Teacher education and Leadership for your work with USU students.

Again, thank you for sharing your expertise with teacher candidates.
